HAND-CRAFTED BEER TO TAP

ZERODEGREES are proud to be pioneers of fresh beers brewed in our own on site Microbreweries. Beer drinkers realise the wealth of different styles of beers from around the world. We brew a wide range right here in house!

It is not just the variety that is important. Freshness, the selection of ingredients, quality and flavour are what differentiates **ZERODEGREES** beer from other craft brewers and the filtered and pasteurised beer of the big industrial breweries.

The yeast is left alone in our beer, to mature and compliment the flavour. Also, we do not add any artificial colouring, preservatives or sweeteners to our beer.

At **ZERODEGREES** we strive to serve you the freshest and most flavoursome beer around.

ZERODEGREES BEERS

'The Bohemian' Czech Pilsner 4.8%
Our spin on a classic pilsner showcases all the great things about this kind of lager. In other words, it's crisp, dry, slightly bitter, and incredibly easy to drink.

Takeaway: 330ml Can 2.95 6-Pack Cans 12.95 5L Keg 24.95

'Downtown' American Pale 4.6%
Our take on making a great American Pale Ale. British & German malts meet sexy American hops. Result: love at first taste. This is why we started our craft brewery idea back in 1999 and we are so glad we did. This was our first brew!
½ Pint 3.25 Pint 5.95 2 Pint Stein 10.95 4 Pint Pitcher 19.95

'Our Mango' Beer 4.1%
How to make a clean, golden ale sing even sweeter? Add mango! Fresh mango pulp and steam-distilled aroma extract result in a naturally hazy easy-drinker that bursts with a taste that's totally tropical.
